Dear Parents

WELCOME FROM MRS SILLITTO, HEAD TEACHER

Hemdean House School has been delivering educational excellence in Caversham and the surrounding area since 1859 and proudly continues to do so within a warm, welcoming and caring family environment where every child is an individual.

We value all our pupils and our aim is to help each child achieve their full potential and develop and value their confidence and self-esteem, with the ethos of Hemdean House School being to encourage respect, understanding, consideration and tolerance for others.

Our first class teaching and small class sizes enables happy children to achieve excellent educational results in a friendly and supportive classroom. In addition the school also offers a strong and diverse tradition of sport, drama and music with many of our pupils achieving good examination grades for a variety of instruments including piano, flute, violin, drums and guitar. Pupils are also able to participate in other activities at Hemdean House such as cricket, football, multi-sports, mindfulness and several different dance disciplines.

We are very fortunate at Hemdean House to have spacious grounds and our own dedicated and accredited Forest School and outdoor learning classes on site which offers every child the opportunity to learn about nature and the environment in a structured and fun way. We are currently proud holders of The Woodland Trust's Gold Award and are working towards our Platinum Award later this year.

Early educational experiences often last a lifetime and we strive to continue to make Hemdean House School a happy, caring and supportive place where children always feel valued and respected and where they can enjoy their schooling, where learning is shared and happy memories are made every day.

Kind regards

Mrs Georgina Sillitto
Head Teacher
