Dear Parents,

The first full week of term has been busy but has gone well. Several activities in and after school have begun and it is good to see the children taking part in a wide range of clubs and groups.

The Mindfulness class for parents and children still has some available places for the forthcoming Mondays if you would like to join with your child in a session after school. If you would like to take part please let the school office know.

The Garage sale last weekend went very well. We still have one or two pieces of furniture, books and desks if anyone would still like to make a purchase. Thank you to the parents who have distributed some of the books to local charities, help with distributing more would be gratefully appreciated. Very soon we will be able to let you know the total raised.

We have a few Hemdean items that are for sale in the office (mugs, pencil cases, pencils, pens, rubbers etc). Do call into the office if you would like to purchase anything.

The first parent/ Governor committee meeting took place at the school on Thursday and was a very productive meeting. There are plans for marketing the school, having workshops and clubs in school and also developing and using modern technology to update and refine how school/parent and parent/ school communication can be improved.

Next Friday is 'Genes for Jeans' day. This will be a non-uniform day for a voluntary contribution to this valuable charity.

The next PTA meeting is being held on Wednesday 21st Sept at 7.30 pm in the HEU. We do hope that you are able to come and help with planning events for the year.

Friday 30th September we will be having our MacMillan coffee morning and Open Day. Parents, Grandparents and friends of the school are very welcome to come and join us for coffee and cake and see the school in action. Donations of cakes would be very welcome and children will be able to buy a cake at break time for a voluntary donation of £1.00.

We look forward to seeing you at forthcoming events

Yours sincerely

Georgina Sillitto
