

## RNIB Stamp Appeal

With the Christmas card season upon us Hemdean House is delighted to be starting a new initiative to collect used postage stamps on an ongoing basis.

This will be helping the Royal National Institute of Blind People (RNIB) the leading sight loss charity that offers information, support and advice to anyone with a sight problem.

Please bring all your used postage stamps into school, leaving approximately 1 cm of envelope around each stamp to keep them undamaged, and we will forward them to the RNIB.

Do please spread the word and tell all your family, friends, neighbours and colleagues that we are collecting and that we welcome everyone to drop off their stamps at the school office at any time during school hours.

Thank you.

## Donate your foreign and British stamps to RNIB

**Every day another 100 people will start to lose their sight.**

Royal National Institute of Blind People (RNIB) is the leading sight loss charity offering information, support and advice to anyone with a sight problem. We also campaign to eliminate avoidable sight loss and support research into sight loss and eye health issues.

We can raise money from British and overseas new and used stamps. We also collect first day covers, presentation packs and albums.

Please leave approximately 1cm of envelope around each stamp and take them to:

**Hemdean House School
