Dear Parents

AFTER SCHOOL COOKERY CLUB

We are very excited to continue with the after-school cookery club for the second half of the summer term in the HE Unit at Hemdean House School. The course will take place on Wednesdays, starting back on Wednesday 7th June and will offer each child attending the club the opportunity of learning the skills involved in cooking, to experiment with different ingredients and most importantly to enjoy food. We provide everything for the children who will be making a wide variety of savoury and sweet dishes, some of which will be taken home ready to eat and some will simply need to be cooked or heated up at home.

All ingredients, cooking equipment, use of aprons and packaging are included in the cost of the course, and each child will also have a weekly laminated recipe card to take home with them. This term we will be making spinach samosas, lemon drizzle cake, Greek pasta salad, banana cinnamon swirls, vegetable halloumi skewers and summer fruit pudding.
