### **Guidance on the transition from old to new uniform - Summer 2019 to Autumn 2020 (excluding Sports Kit)**

The School has made great efforts to ensure the transition to the new uniform is gradual, allowing pupils time to grow out of their current uniform, minimise disruption and minimise additional cost. The chart below offers guidance on what items of uniform can be worn in each half term until the School has fully transitioned to the new uniform in Autumn 2020.

The sports uniform can be bought online through “DJ Uniforms”. A separate document explains these changes, that are already underway.

All other uniform currently can be bought through “Stevensons”, who have a shop in Reading and an online ordering facility. **From April 25<sup>th</sup> 2019, “DJ Uniforms” will be the School’s uniform supplier** and all uniform items will be bought via their website, as with the sports kit.
