### **The Hemdean School Uniform Shop**

The School PTA holds a store of good quality second hand uniform. The following items are available: shirts, jumpers, ties, blazers and roll neck tops. Please contact the School Office to be put in contact with the PTA if you wish to make a purchase. There are also regular second hand uniform sales. All the proceeds from the PTA Uniform Shop get donated to the School. All donations of old, good quality uniform are gratefully received.

In addition, Stevenson’s will be selling its redundant stock at the end of April to the School. The School may therefore have a stock of new items. The School will inform parents of any stock there may be in May and how this can be purchased.
